UNITY & COMMUNITY

Artistic Director / Owner
Kathy Costa McKeown

The Studio

Feet patter across the soft wood.
The melody of the music begins.
Bodies react, syncing in eight counts—
arms sway, legs kick, heads turn, feet point.

I notice the movement of others
in my peripheral,
a force of connection between us.

The large floor to ceiling window
allows sunlight into the space—
an opening to the world we forgot
when the music began.

In years our marks will be left,
in photographs,
in memories,
in initials forever carved into the smooth wooden bar.

For the children,
their fingerprints still linger there.
Through identical pliés and tendus.

In the mirror,
thousands of different reflections have been illuminated.
I glance to see my own—

Through the shining glass
I've grown and developed,
in the safety of this place.

Our moments,
my memories,
forever.
